

Weekly Permit Bulletin

March 5, 2020

Providing official notice of land use applications, meetings, decisions, recommendations, hearings, and appeals of land use decisions within the City of Bellevue

How to use this Bulletin

To learn more about a project:

- Call the planner assigned to the project to make arrangements to review the project files.
- Visit City Hall Public Records between 8 a.m. and 4 p.m. Monday through Friday and review the project files.
- Click the name of the project to view digital plans.

To comment on a project:

- Send your comments in writing to the Development Services Department, and be sure to include your name and address.
- Comments will be accepted until the time a staff report is prepared for the decision or recommendation, with a minimum comment period of at least 14 days (30 days for shoreline projects).
- If you submit a written comment, we will send you a copy of the notice of decision or recommendation.

To appeal a permit decision:

- You must have filed a written comment expressing your concerns before the decision was made.
- Any appeal of a DSD decision to the Hearing Examiner must be received by the City Clerk's Office no later than 5 p.m. on the appeal deadline indicated on the notice. The appeal must include a written statement in the form described in LUC 20.35.250.A.2 together with an appeal notification form. [Link to Form](#)
- An appeal of a shoreline decision is made to the State Shoreline Hearing Board, must be in writing, and must be filed within 21 days of the date the DSD decision is received by the State Department of Ecology (DOE). The DSD decision will be sent to DOE by the close of business on the date of this notice. For additional information regarding shoreline appeals, please call the Shore Hearings Board at 360-459-6327.

GENERAL INFORMATION REGARDING USE OF OPTIONAL DNS PROCESS

When the SEPA field indicates a **Determination of Nonsignificance (DNS)** is expected, the optional DNS process is being used and a DNS is likely. This may be the only opportunity to comment on the environmental impacts of the proposal. The proposal may include mitigation measures under applicable codes, and the project review process may incorporate or require mitigation measures regardless of whether an Environmental Impact Statement (EIS) is prepared. The Threshold Determination will also be noticed in a subsequent issue of this Weekly Permit Bulletin. A copy of the subsequent Threshold Determination for the proposal may be obtained upon request.
